## A registered member of the parish shall be defined as follows:

“an individual who has formally registered by completing the parish registration form and turning it into the parish office. This will insure that they receive all parish mailings, as well as the weekly offertory envelopes. A registered parishioner will remain active and participating by making regular meaningful and identifiable contributions according to their means (*using the parish tithing envelopes or using checks*) and whenever possible, a parishioner should take part in community-building parish functions and share their abilities and talents through ministry. A registered parishioner will attend the Sunday liturgy at their parish of registration a *minimum* of thirty-five Sundays per year. The parish tithing envelope or checks, regardless of amount, are used to register attendance.”

In addition, those children of registered families, who are of school age, and are not already attending a Catholic school, should be enrolled in the religious education program. Those children who are in high school should participate in the Youth Group and if not already confirmed, should also be enrolled in the confirmation program.

## Benefits of being registered as an active and participating parishioner:

- ❖ Baptisms for your children
- ❖ Religious Education for your children
  - ❖ Marriage
  - ❖ Annulment processing
- ❖ Letters of permission to be godparents elsewhere
  - ❖ You will receive all parish mailings
  - ❖ And many more benefits!

\*\*\*

Being registered helps parish office too!

It is important to have this information when submitting for parish, diocesan and national reports.
